

# Crown Agents Ukraine - General Procurement Notice – addendum 7

## Requirements for Programme 13 – Endoprosthesis and implantation kits

International non-proprietary name	Form of presentation	Estimated Demand, 100%	Estimated Quantity under the Assets Allocated	Comment
Cemented hip joint: Total endoprosthesis	piece	1,627	1,355	For use in patients with a femoral neck fracture or coxarthrosis of different genesis
Cemented hip joint: Single-pole bipolar endoprosthesis	piece	500	416	For use in patients with a femoral neck fracture or coxarthrosis of different genesis
Cement-free total hip joint endoprosthesis	—“—	4,856	4,061	—“—
Revisionary hip joint endoprosthesis, hybrid fixation	—“—	134	110	For use in patients with the need in revisionary endoprosthesis
Revisionary knee joint endoprosthesis, linked rotation	—“—	152	127	—“—
Intramedullary telescopic rotation-stable femoral fixation device with a telescopic femoral neck fixation device	—“—	21	17	For use in patients with osteogenesis imperfecta
Intramedullary telescopic rotation-stable fixation device	—“—	43	38	—“—
Locking elements for Intramedullary fixation devices	—“—	128	103	—“—
Distal femur modular prosthesis	—“—	37	31	For use in children with bone tumours
Proximal tibia modular prosthesis	—“—	26	23	—“—
Implants and tools for complex scoliotic spinal deformities correction	kit	3	3	For use in children with complex scoliotic spinal deformities
