

PHILANTHROPISTS, CORPORATES & PRIVATE-SECTOR ORGANISATIONS: **HELP US URGENTLY DELIVER LIFE-SAVING ASSISTANCE TO UKRAINE**

As the Russian military invasion of Ukraine continues, civilians are forced to flee their homes or take refuge in bomb shelters and subway stations throughout Ukraine. The infrastructure of the country has been severely damaged and has left hundreds of thousands of people without electricity or water, while damaged bridges and roads leave residents cut off from food supplies. The most pressing humanitarian needs are essential medicines and health services, as well as equipment, drinking water and hygiene products. **CROWN AGENTS PLANS TO PROVIDE A QUICK RESPONSE TO HELP SAVE LIVES.**

THE HELP NEEDED

As the crisis unfolds, with your assistance Crown Agents can act early to ensure that immediate needs are met. **We are responding out of our offices in Kyiv and Lviv as well as our humanitarian base in Poland. We are launching an urgent appeal for donations to support our holistic approach. This includes:

-  Thermal blankets
-  Hygiene kits
-  Dignity kits
-  New-born kits
-  Medical supplies
-  Tents
-  Fuel
-  CASH support
-  PPE
-  Communication devices
